

R.I.S.C. TAKERS

Children Children

RUN 2019

The event

On Tuesday, December 10, the R.I.S.C. Takers players of Under 7 up to and including Under 13 will run for their peers who need some extra love during the Holidays. Before the run, the players will try to find sponsors who will support them to run as much laps as possible. The full amount collected by the players will be used to buy presents for vulnerable children in our community.

Purpose

The Children for Children run is organized to let all children on Sint Maarten enjoy Christmas, also the children who are not accustomed to Christmas dinners, nice clothes and presents. Furthermore, we feel that it's very important to teach our players at a young age that they shouldn't take all they receive – material as well as non-material - for granted. Therefore, we would like to involve the players as much as possible and explain to them how they make a difference for other children in need.

Facts and dates

All runs are 30 minutes max, depending on the age category. The lap distances are 100 meters (Under 7 and Under 9) and 200 meters (Under 11 and Under 13).

The children run on Tuesday, December 10 at 5.30PM in the stadium of Raoul Illidge Sports Complex. On Tuesday, December 17 at the latest, children can hand over the collected money. On Thursday, December 19 we will gather after the practice to announce the results of the run. We will also announce the results on our website www.risctakers.com. For more information you can contact us at info@risctakers.com.
